CUSTOM MINTING PRICING

Below you will find prices for popular sizes of medallions and ingots in pure silver, gold, nickel-silver, bronze and copper. A special quote will be required for unusual shapes and sizes or other materials.

Only fabrication charges are shown for silver and gold pieces. You will have to add the cost of the metal, which of course changes daily. Bronze, Nickel-silver and Copper prices include the cost of the metal as well as the fabrication.

There is a setup charge of \$50.00 for all orders less than 500 pieces.

Many stock dies are shown on our website www.silvertownemint.com and can be used at no charge. For a custom coin unique to your organization or event, please contact us for a quote which is based on the detail in your design.
